Dear Parents/Carers

March 2017

We are delighted to announce that from September 2017 Marks and Spencer will be an additional supplier for our school uniform. Currently our branded jumper and cardigan are provided exclusively by Broadbridges in Horsham.

We will continue to use Broadbridges as a supplier for our uniform; however, in a world where time is so precious, many of us turn to the internet for a convenient way of shopping.

Marks and Spencer is a trusted brand for school uniform and will be providing a range of embroidered items for you to choose from. A bespoke website is in the process of being developed, and once completed, you will have the opportunity to browse through the different items for order. Once purchased your chosen items will be delivered straight to your door. Items that will be available include:

We fully understand that you may already have items which are either "handed down" from older siblings or already purchased. We do not want to put any pressure on parents to waste such items.

When you are in a position to move to the new uniform we would like to encourage all children to wear the branded/logoed items, so that they can be worn for trips; formal occasions such as photographs and on days when the school receives visitors. Obviously we would like all children to be wearing the new jumpers/cardigans at all times, but understand that this may not be possible on the grounds of cost.

On occasions ties go missing, with this in mind, we will still be stocking ties. These will be available to purchase from the school office. Due to space constraints, all other items can be purchased directly from the website. Twice a year Marks and Spencer hold a 20% reduction sale on the website - another advantage of purchasing directly from them. We will notify you of the specific dates once we have received them.

A reminder of our school uniform

Yours faithfully
