

## Sports Premium Funding – Looking Forward

Throughout the academic year 2017-2018 Heron Way Primary School will receive £19,270 from, PE and Sport Premium, to improve PE and Sport Provision.

The majority of the Sports Premium Funding will again be used to employ a specialist sports coach. As seen in previous years there was a significant rise in the children's health and wellbeing as well as a vast improvement in their attitudes towards physical education due to this support.

Below illustrates the range of ways we plan to spend the money:

- Employing specialist qualified sports coach.
- Being an active member of Horsham and District Primary Schools Activities Association (HDPSAA).
- Significantly raising the profile of PE within our locality through involvement in tournaments.
- A significant increase in the range of after school sporting activities focusing on the involvement of girls.
- Training and introducing play leaders.
- Providing twilight sessions for staff.

Please see our action plan below to see how we plan to spend our funding for the year ahead (2017-2018).
